# A culinary journey through our kitchen

## The Croatian fish restaurant "KAJ" introduces itself

Enjoy in the heart of Vienna our Croatian compositions of traditional specialties, exquisite and fresh fish dishes and seafood, which are regularly delivered from the Dalmatian coastal region.

Let us also recommend our Croatian wines for each of your menus in order to find the best wine accompaniment for your meal.

Some of the vegetables and fruit that we use in our dishes come from our own production in Burgenland.

# ( Dobar tek! )

All our prices include VAT.

We charge €3,50 per person/cover (including bread, oil from our own production and olives).
